CAMP PHOTOGRAPHS:

If you ordered camp photographs (that were taken on July 14th), you should have gotten them back by today. Please have your child check with his/her counselor if they were ordered but not delivered to you. **PHOTOS WILL BE MAILED TO ANYONE NO LONGER IN CAMP.** Many thanks.

THANK YOU:

I have received several questions from parents about the policy of tipping counselors. If you feel any counselor(s) has contributed to your camper having a particularly enjoyable experience this summer, I’m sure they would appreciate hearing that from you in whatever manner you feel is appropriate. I have been very pleased with the performance of our counselor staff. If you have any comments, either positive or negative about any aspect of the camp program, I would appreciate you sharing them with me, either directly or via e-mail.
